

International conference IEEE EExPolytech-2020

2020 IEEE International Conference on Electrical Engineering and Photonics (EExPolytech-2020, [IEEE Conference Record #50912](#)) is a conference that aims to bring together specialists in Electrical Engineering and Photonics. The topics cover diverse applications in technology fields such as imaging, communication, sensing, and instrumentation, as well as the sciences such as biology and medicine, chemistry and fundamental physics. The conference is designed for researchers to report on the latest findings on Electrical Engineering and Photonics and stimulate scientific exchange among researchers and engineers from industry and academia.

2020 IEEE International Conference on Electrical Engineering and Photonics (EExPolytech-2020, [IEEE Conference Record #50912](#)) is a conference that aims to bring together specialists in Electrical Engineering and Photonics. The topics cover diverse applications in technology fields such as imaging, communication, sensing, and instrumentation, as well as the sciences such as biology and medicine, chemistry and fundamental physics. The conference is designed for researchers to report on the latest findings on Electrical Engineering and Photonics and stimulate scientific exchange among researchers and engineers from industry and academia.

Topics

The main topics to be discussed at EExPolytech-2020: Electrical Engineering and Photonics are the following:

01 Circuits & Systems for Telecommunications

02 Algorithms & Signal Processing

03 Materials & Nanoscience

04 Photonics

Papers

The papers should be written in [IEEE/CAS A4 format](#) (double column including paper title, authors' names and affiliation, short abstract). They should not exceed 4 pages (including figures and references). Authors are expected to present their papers at the Conference. At least one author of each accepted paper must register in order to have the paper included in the program and Proceedings.

All papers should be sent [via EasyChair](#) (opens soon).

The accepted and presented papers will be sent for the indexing in IEEE Xplore.
