

International School and Conference Saint-Petersburg OPEN 2018

We invite **all students, PhD students and young scientists** to participate in the 5th International School and Conference 'Saint Petersburg OPEN 2018' on Optoelectronics, Photonics, Engineering and Nanotechnology, chaired by academician **Zhores I. Alferov, the Nobel prize winner in physics (2000), vice-president of the Russian Academy of Sciences.**

We invite **all students, PhD students and young scientists** to participate in the 5th International School and Conference 'Saint Petersburg OPEN 2018' on Optoelectronics, Photonics, Engineering and Nanotechnology, chaired by academician **Zhores I. Alferov, the Nobel prize winner in physics (2000), vice-president of the Russian Academy of Sciences.**

Abstract submission is opened until March 1, 2018.

All proceedings should be submitted in English. The size of standard proceedings is 1-2 pages for BSc, MSc, PhD students and young scientists and 2-3 pages for invited speakers. Authors of **all the proceedings** will be notified on March 12, 2018. The authors of all the papers, which are accepted for poster presentation, will have an opportunity to publish their advanced proceedings (4-6 pages) in ***IOP Journal of Physics: Conference Series*** that is cited in Web of Science, Scopus, eLIBRARY and other scientific databases.
