

31st annual European Space Thermal Analysis Workshop

You are invited to propose presentations on the application of thermal tools; thermal analysis or verification methods, techniques or related problems; and on the development and use of related software. Presentations will be limited to 20 minutes plus 5 minutes for discussion. Viewgraphs in PowerPoint or OpenOffice presentation format are preferred.

Deadlines & Calendar of Events

| | |
|---|--------------------|
| First announcement & Call for presentations | May 2017 |
| Presentation submission deadline | 18 September 2017 |
| Preliminary programme | Early October 2017 |
| Registration deadline | 23 October 2017 |
| Workshop dates | 24-25 October 2017 |

Proceedings of previous workshops can be found at <https://exchange.esa.int/thermal-workshop>

Anyone interested in giving a presentation during this Workshop is invited to send a title and a short description of the contents (abstract) to the organiser:

Harrie Rooijackers

email: Harrie (at) thermal.esa.int

phone: +31 71 565 3453

as soon as possible and not later than **18 September 2017**.

Authors will be informed if it is possible to include the presentation in the programme. After acceptance, authors will receive instructions for the preparation of their final handouts for inclusion in the Proceedings.

The final programme will be available on the conference Web page **prior** to the Workshop. The Proceedings will be produced **after** the workshop and published on the Thermal Control website mentioned above.
