International Fair "Education and Career"

Since 2005 the International Fair "Education and Career" has been held twice a year in Saint Petersburg. "Education and Career" is a widely acknowledged, respected and largest event in educational life of Saint Petersburg and Nord of Russia, which is attended by students, language teachers, study abroad /travel agents, educational advisers, journalists and officials.

This Fair gives a unique chance to establish long-lasting contacts between participants of Russian and foreign educational institutions: universities, colleges, schools, language courses. The participants have an excellent opportunity to make new contacts, develop existing relationships, to meet language providers, thus expanding knowledge about the Russian educational market and increasing the quality of business – all in a short period of time and under one roof.

Thematic sections:

- Education Abroad, Foreign Languages
- Higher education in Russia
- Vocational Education in Russia
- Jobs and Careers
- Additional Education
