

# Internship Program for International Students 2020 in École Polytechnique

In the frame of the strategic cooperation between our two institutions, we are pleased to bring your attention to the opening of the program “**Internship Program for International Students**” of **École Polytechnique** for the year 2020. This program is aimed at supporting and consolidating the collaboration between École Polytechnique and SPbPU, as well as supporting scientific collaborations.

With this objective, the Internship Program for International Students gives undergraduate and graduate students the opportunity to carry out a **3 to 6-month internship** in laboratories of École Polytechnique.

The Program is open to students at the following levels:

Undergraduate: Bachelor's students in their 3<sup>rd</sup> or 4<sup>th</sup> year;

Graduate: Master's students in their 1<sup>st</sup> or 2<sup>nd</sup> year;

PhD students.

All the relevant information about the program is available on the [website](#).

The candidates will have to choose subjects among the ones listed [on the website](#), and then prepare the application documents by following the instructions given on this [page](#).

The application is done directly by the students via an online application.

**The deadline is set on the 31<sup>st</sup> of January 2020**
