

EExPolytech-2024

2024 INTERNATIONAL CONFERENCE ON ELECTRICAL ENGINEERING AND PHOTONICS

OCTOBER 17-18, 2024 SAINT PETERSBURG, RUSSIA

CALL FOR PAPERS

Topics

- Circuits & Systems for Telecommunications
- Algorithms & Signal Processing
- Materials & Nanoscience
- Photonics

A special session "Nanotechnologies & Thermoelectric Materials: Theory and Practice" will be held as a part of the section "Materials & Nanoscience".

Important dates

Full Paper Submission date: 02 September 2024

Notification of acceptance date: 04 October 2024

Papers

The papers should be written in IEEE/CAS A4 format (double column including paper title, authors' names and affiliation, short abstract). They should not exceed 4 pages (including figures and references). Authors are expected to present their papers at the Conference. At least one author of each accepted paper must register in order to have the paper included in the program and Proceedings.

Accepted and presented papers will be submitted for inclusion into IEEE Xplore subject to meet IEEE Xplore's scope and quality requirements.
